Multiple MIT systems...

Research@MIT

apps.mit.edu/research

The screenshot shows the Research@MIT dashboard for user Doug Walsh. The dashboard is organized into a grid of colored tiles, each representing a different system or category. The tiles are as follows:

- Submitted Proposals:** Pending 0
- Awards:** Active 0
- Hermes:** Pending Submission 0
- My Research Funding:** (No numerical value)
- Protocols:** Active - Open to Enrollment 0
- Under Recovery Approval:** Pending 6
- Under Recovery:** Pending 7
- TLO Disclosures:** Total 0
- TLO Cases:** Total (No numerical value)
- Department Overview:** (No numerical value)

The dashboard also includes a left sidebar with navigation options: My Research, Submitted Proposals, Awards, Hermes, My Research Funding, Protocols, Under Recovery Approval, Under Recovery, TLO Disclosures, TLO Cases, and Department Overview. At the bottom of the sidebar are links for Helpful Info, Need Help, About Research@MIT, Logout, and Collapse.

...in one convenient dashboard

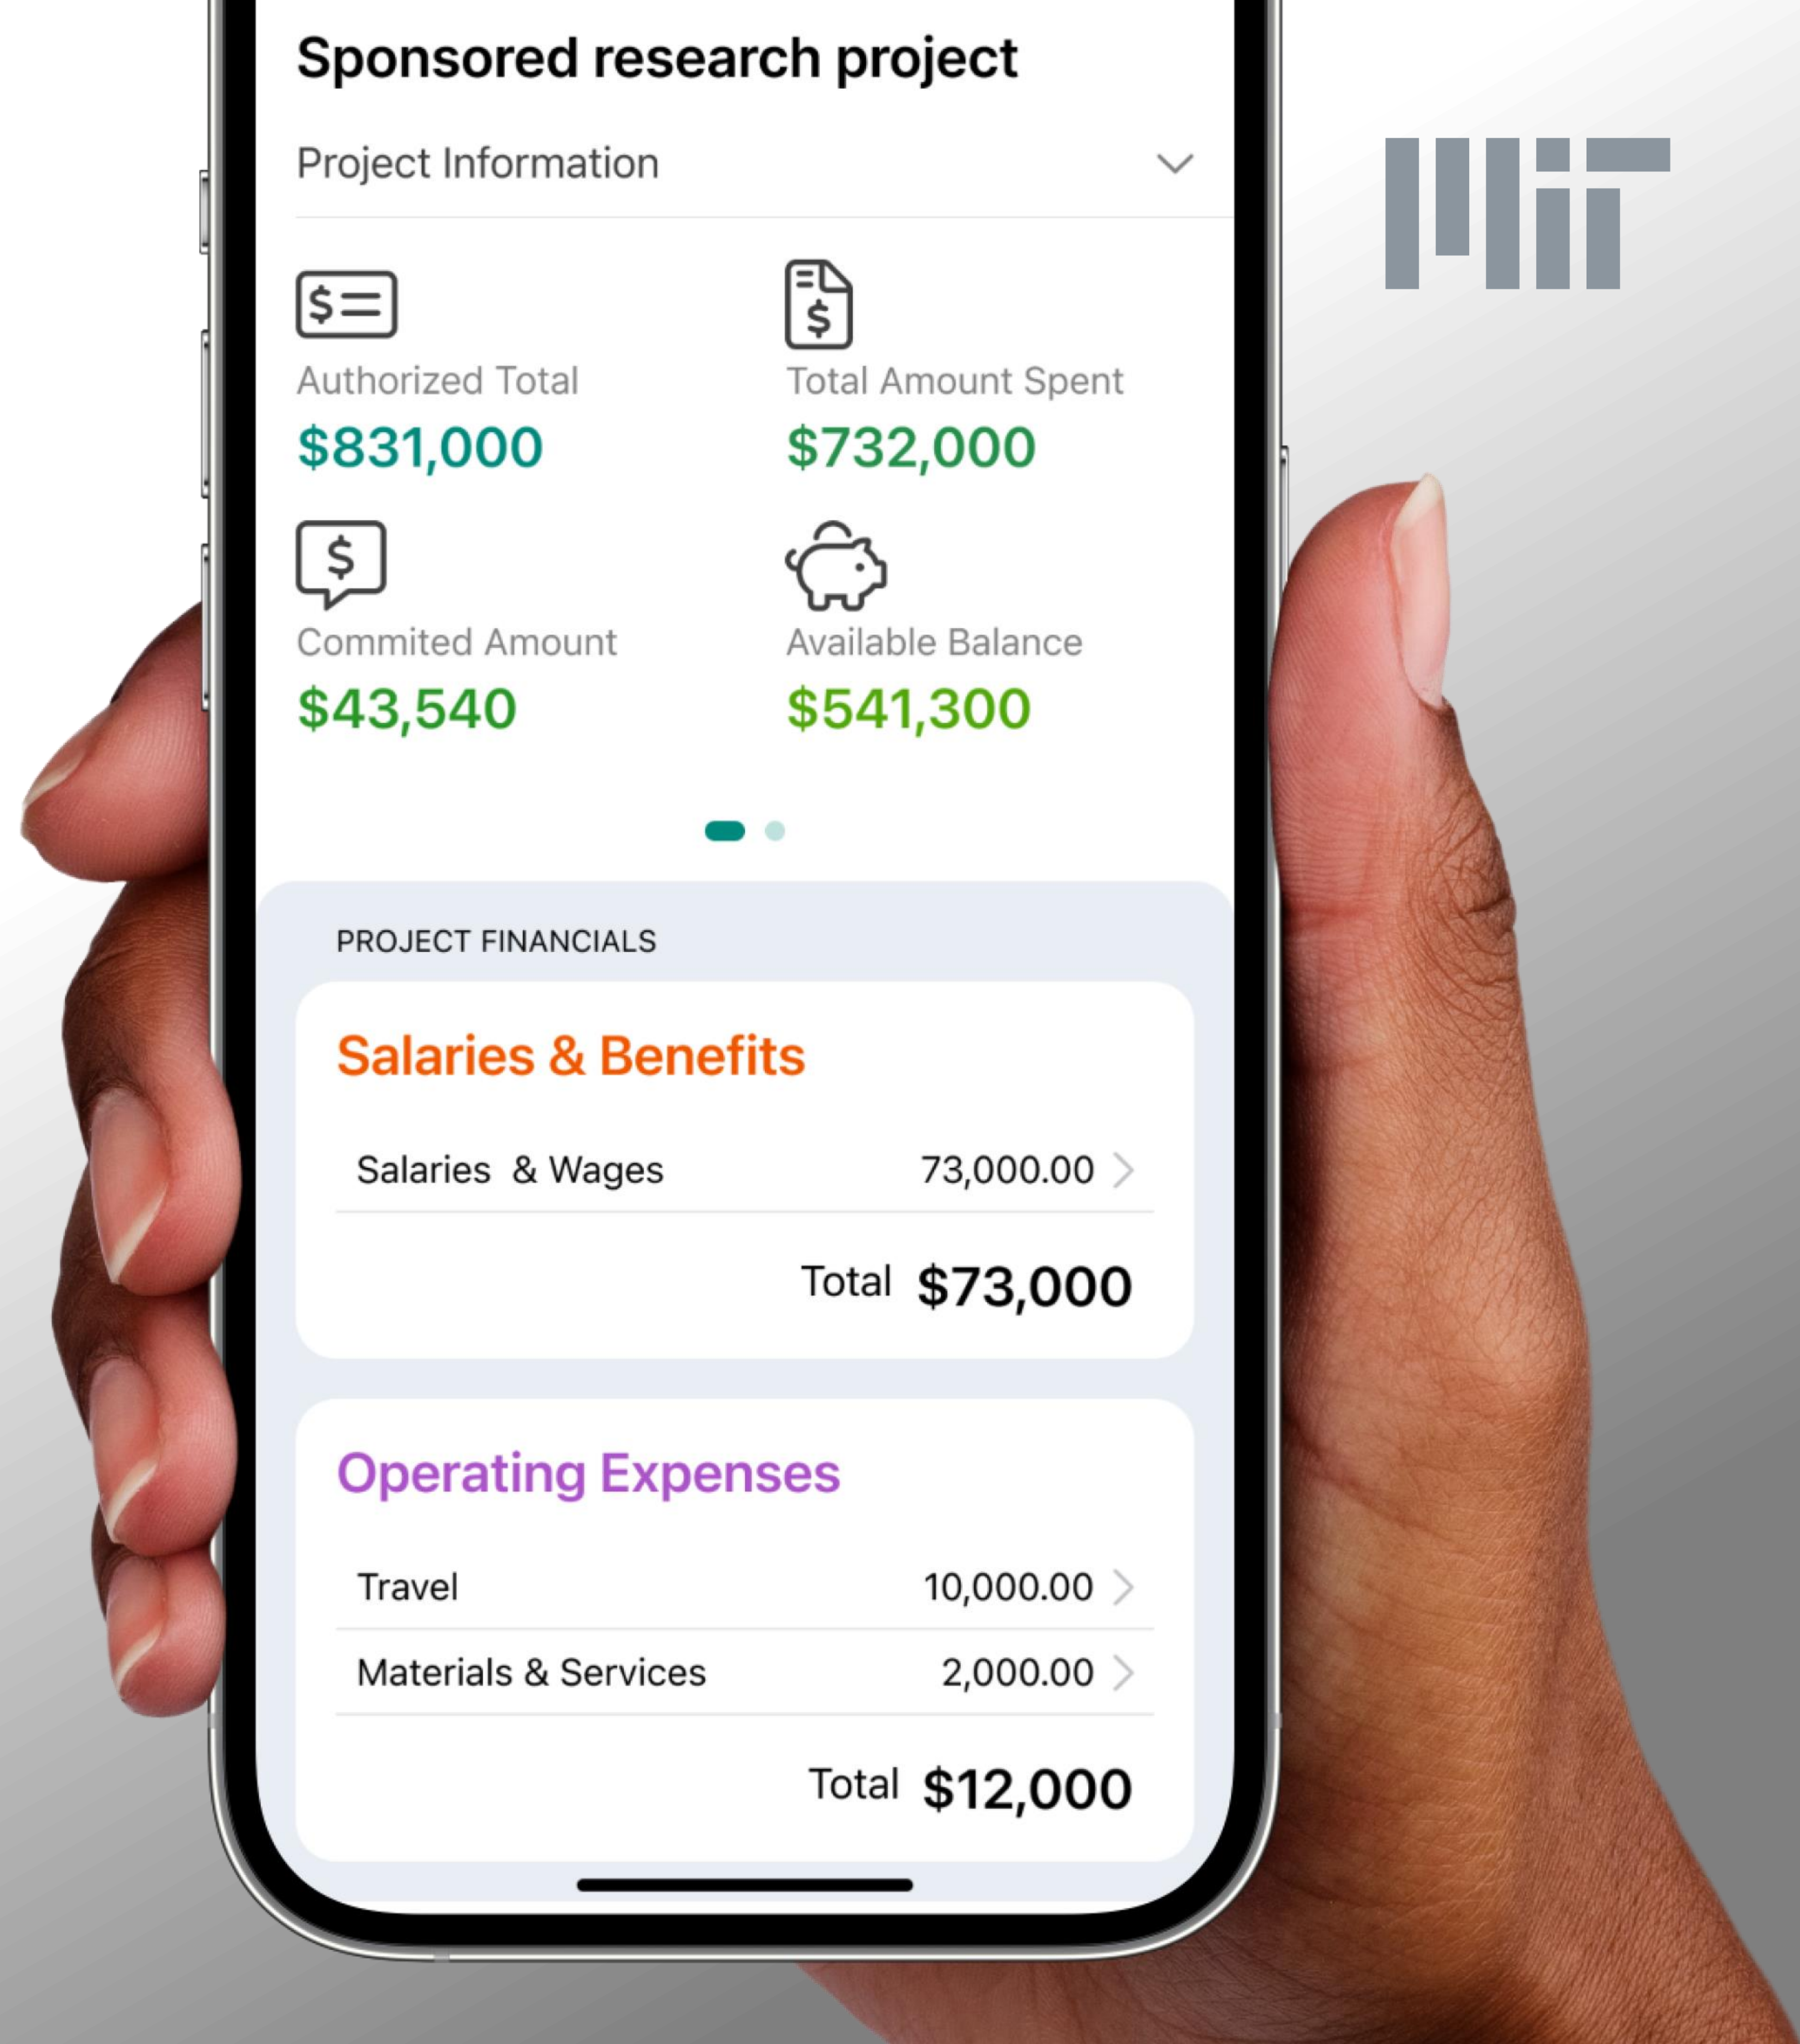

Available on phone, tablet or desktop

Web version coming soon!

- Available funds for active sponsored and non-sponsored research awards
- Status of proposals submitted to sponsors
- COUHES protocols
- HERMES: Request NDAs, DUAs and MTAs
- Technology Licensing Office (TLO) cases
